LET'S TALK ABOUT...

WHITEWASHING OF AMERICAN HISTORY ■

Thursday, September 17 at 7 p.m. on Facebook Live

Did we get the whole story when we learned about American history in school? Did what really happened to the historical figures we learned about make it to our textbooks? Tune in to this thought-provoking panel discussion featuring the University of Mount Union's Dr. Michelle Collins-Sibley, Malone University's Dr. Jacqui Stuckey, and other educators as they discuss their experiences as students of American history and, later, educators of American history, and how we as information consumers can find out, as Paul Harvey once said, the rest of the story.
