One thousand books? That seems like way too many, right? Not at all. It doesn't matter if your child is three, or just three months - there is no better time to start than now!

Reading helps build social and emotional skills, sparks creativity and imagination, promotes bonding, and helps kids do well overall in school. Take that motivation, open one book, and get started. And remember, 1000 is just a number. The goal is to make reading aloud with your child part of your daily routine, and let the magic of stories do the rest. Your library card gives you access to a world of information at NCPL. Use it at the library during open hours. Use it on our website or app after hours. Our world is always available in one form or another.

GET A CARD

1. Complete our brief application online.
2. Bring a Driver's License or State I.D. with your current address to the Patron Services Desk at the library. If you don't have your current address on your I.D., you will need to bring a form with your name and new address on it, such as a utility bill, insurance notification or lease agreement.
3. Your card will be ready in minutes and you may check items out the same day.

Teachers

Teacher library cards allow up to 100 children's books to be checked out at any time for six weeks with one two-week renewal available. Teacher privileges apply only to children's books for classroom use. Other library materials including audiobooks, music CDs, kits, electronic devices, and DVDs must be checked out using a general patron library card. As with all library cards, overdue items will be charged a late fee and full price will be charged for lost or damaged items. We strive to assist North Canton Public Schools' educators and homeschoolers. Visit the Children's Department for information on the many special services we offer.

Golden Buckeye Card Holders

Patrons of any age who have a Golden Buckeye Card qualify for fine free status. Simply show us your card one time, and we will change the status of your account to be fine free. Golden Buckeye Card holders continue to receive notices about late items and will still be charged replacement costs if materials are lost or damaged.

Children 17 and Under

Children are eligible for their own library cards. Parents must be present with children applying for a library card and must agree to comply with library rules and regulations, pay all fines and fees, and make good any loss or damage incurred to materials borrowed on their child's card.
