## GENERAL INFORMATION FOR ROOM USAGE AND RESERVATIONS

- A North Canton Library Card Number is required to use the rooms. This number must be provided when making a reservation request.
- The library does not advocate or endorse the viewpoints of any group using the rooms, and groups should not imply library sponsorship or endorsement in the publicity for the meeting.
- The library is not responsible for injuries to people, damage to, or loss of property by members of the group.
- All meetings should be non-soliciting and non-profit in nature, and must not disrupt the normal functioning of the library. Fundraising events and meetings that promote, advertise or lead to the sale of a product or service are not permitted.
- Use of the community rooms and conference room are free of charge. However, a fee may be charged if use of the room results in the need for repair or replacement of library furnishings or equipment or if additional cleaning is required by library staff. Any fees will be charged at the discretion of the Library. Failure to pay the fee will result in the prohibition of future use.
- Refreshments may be served in lidded containers and wrapped packages only.
- Rooms are available during regular library hours.
- A responsible adult, 21 years of age or older, must be present at all times for meetings involving children and teens. Children may not be left unattended in the meeting rooms or inside the library at any time.
- Decorations, posters and signs may not be affixed in the rooms or in the library without prior approval.

- The adult making the meeting room application must assume the responsibility for the group's behavior and for damages that occur as a result of the group's activities.
- The library will provide tables and chairs for meetings. The group is responsible for setting up tables and chairs, and restoring the room to its original condition after the meeting. Additional equipment available includes a podium and dry erase board. Library programs have priority concerning the use of these items, however. A projector is available for patron check-out in our Tool Box Library and we recommend reserving it in advance.
- Rooms will be assigned by the adult and teen services department, and may be reassigned when necessary because of library activities.

*The primary purpose of the meeting rooms and conference room at the North Canton Public Library is to provide facilities for library-related activities and programs. If a meeting room is not scheduled for a library-related function, non-profit groups and organizations may schedule the rooms for civic, cultural or educational purposes. Reservations are considered on a first-come, first-serve basis. To ensure equitable use of library facilities, the library reserves the right to limit the number of hours a meeting room may be used by an individual or group.*
