Dear North Canton Community,

In January of 2023, our Library Board and staff were excited to begin work on our 2023-2026 Strategic Plan – a plan that was shaped and inspired by you, our patrons! As we look toward a fresh year ahead of us in 2024, I wanted to share with you some of the goals we achieved and new ideas we generated this past year to better serve our North Canton community. We're looking forward to adding more improvements and enhanced services in the upcoming year, and we can't wait to share those developments with you.

Goal #1: Create the Ultimate Customer Experience

What Have We Done So Far in Year One? We invested in directional floor decals to help patrons navigate our building with ease and confidence. We remained committed to training our staff on the art of customer service, seeking numerous professional development opportunities through the American Library Association, Public Library Association, Ohio Library Council, Northeast Ohio Regional Library System, and Library 2.0. We hired a human resources specialist to help us ensure our staff orientation, training, and overall development opportunities would be consistent and meaningful. We upgraded our online catalog so that our patrons' online search experience would be more intuitive and user friendly. We began work on building a new and improved website with hopes to launch it in 2024.

Goal #2: Enhance Functionality and Accessibility through Revitalized Public and Work Spaces

What Have We Done So Far in Year One? We partnered with Library Design Associates to renovate our lower-level Community Room, Staff Lounge, and Storage Room areas to better accommodate the needs and uses of each area. We replaced all of our book drops outside of our building with eye-catching, easy-to-use models. We installed Aunt Flow period product dispensers in all of the building's bathrooms to ensure wider access to these necessities for both patrons and staff. We replaced our self-checkout stations with units that are easier for patrons of all mobility levels to navigate and use.

Goal #3: Build Community Relationships and Engagement

What Have We Done So Far in Year One? Community Relations staff underwent specialized training in the creation and development of key messaging opportunities. Current partnerships were strengthened and new partnerships were developed. Giving opportunities with local organizations were prioritized and promoted throughout the year.

Goal #4: Seek New Avenues for Financial Sustainability

What Have We Done So Far in Year One: Grant opportunities that were successfully pursued included a Guiding Ohio Online Grant to allow for our Technology Trainer to continue to provide programs and technical support for patrons, an on-going three-year grant with the Ohio Department of Education that provides summer Camp What If programs for middle-schoolers through TomTod Ideas, Inc., and an LSTA grant that allowed us to develop a rich slate of senior programs and a dedicated collection of large-print materials for our work at the North Canton Civic (Senior) Center. The Library became a certified U.S. passport acceptance facility in November 2023, a goal that will work to benefit our patrons seeking this service and serve as a consistent source of alternative revenue for the Library.

We are all grateful for the support you've always given us and for the insight that has helped guide our decisions. This work, these goals, this progress – it's all for you.

With kindness,

Andrea Legg
Director

NEW ACQUISITION INTO OUR PERMANENT COLLECTION

ARTIST: DAVID KUNTZMAN **TITLE: HERITAGE SERIES 2022-01**

ARTIST STATEMENT: *I have always been intrigued by artworks of the Op Art style, specifically the works of Julian Stanczak, Victor Vasarely, and more recently, Susie Rosmarin.*

My earliest paintings were investigations of those styles – attempts to recreate the retinal experience with results of vibrations, movements, blur, and after-images. My work focused on comparisons of various color progressions, supported by my use of rigid and methodical gridworks.

At present, in addition to the "Op" artists, my influences include Frank Stella (specifically the "plane" paintings of the early to mid 1970's) and Liubov Popova of the "Constructivist" movement. As such, my artworks have evolved into presentations of various grid comparisons, such as grids of different sizes, angles, and colors. The color progressions are now being used to present the contrasting gridworks creating a dense and ambiguous space.

ONGOING CHALLENGE FOR AGES BIRTH TO FIVE

One thousand books? That seems like way too many, right? Not at all. It doesn't matter if your child is three, or just three months - there is no better time to start than now! Reading helps build social and emotional skills, sparks creativity and imagination, promotes bonding, and helps kids do well overall in school. The goal is to make reading aloud with your child part of your daily routine. Hit a milestone and come into the library to take a photo with our photo frame! Get started by visiting beanstack.org!

YOUR LIBRARY CARD

a passport to explore the world

Your library card gives you access to a world of information at NCPL. Use it at the library during open hours. Use it on our website or app after hours. Our world is always available in one form or another.

GET A CARD

1. Complete our brief application online.
2. Bring a Driver's License or State I.D. with your current address to the Patron Services Desk at the library. If you don't have your current address on your I.D., you will need to bring a form with your name and new address on it, such as a utility bill, insurance notification or lease agreement.
3. Your card will be ready in minutes and you may check items out the same day.

TEACHERS

Teacher library cards allow up to 100 children's books to be checked out at any time for six weeks with one two-week renewal available. Teacher privileges apply only to children's books for classroom use. Other library materials including audiobooks, music CDs, kits, electronic devices, and DVDs must be checked out using a general patron library card. As with all library cards, overdue items will be charged a late fee and full price will be charged for lost or damaged items. We strive to assist North Canton Public Schools' educators and homeschoolers. Visit the Children's Department for information on the many special services we offer.

GOLDEN BUCKEYE CARD HOLDERS

Patrons of any age who have a Golden Buckeye Card qualify for fine free status. Simply show us your card one time, and we will change the status of your account to be fine free. Golden Buckeye Card holders continue to receive notices about late items and will still be charged replacement costs if materials are lost or damaged.

CHILDREN 17 AND UNDER

Children are eligible for their own library cards. Parents must be present with children visiting the Library and must agree to comply with library rules and regulations, pay all fines and fees, and make good any loss or damage incurred to materials borrowed on their child's card.

PASSPORT SERVICE

North Canton residents looking to travel abroad can apply for passports at the library. Passport services are available by reservation only. Please call 330.499.4712 x311 to schedule your passport appointment.
